

North Carolina Pretreatment Consortium's 2008 PEER Award

Monica Hayes:

Monica is currently the Senior IWC Chemist and has been employed with the City of Winston-Salem for 7 years. She has 12 years of dedicated pretreatment experience. Monica holds a grade IV Pretreatment Program Manager Certification and is an active member of the Pretreatment Certification Board.

Monica has held NC-PC Office as Chairman, Section Chairman and Secretary through the years and is one of the original founders of the NC-PC. Monica was the Local Arrangements Chair for the 2007 Annual Pretreatment Conference and has participated in various conference planning committees for many years. Monica teaches pretreatment certification classes and participated in the proposed metal products and machinery regulations and provided comments that helped make a difference!

Monica's significant contributions to the NC-PC and her enthusiasm and vision for the NC-PC have earned her this award; the 2008 NC-PC PEER Award Recipient.

Congratulations Monica!
