CONSORTIUM**

Shannon has been a member of the NC-PC for 4 years. Originally hired by the City of Raleigh as an Industrial Pretreatment Technician, Shannon is now employed by the County of Durham as a Pretreatment Coordinator. While employed with the City of Raleigh, Shannon obtained her Grade 1 and 2 Pretreatment Certifications. Shannon was quick to grasp all aspects of administering a Pretreatment program while employed with Raleigh. Since becoming employed with Durham County, she has continued to fine tune her professional skills through additional training and direct hands-on compliance administration. She has served on several NC-PC committees and has chaired (2010) and co-chaired (2009) two successful annual NC-PC Conferences.
